

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2016 with regard to energy labelling of refrigerating appliances

**Supplier's name or trade mark:** Cylinda

**Supplier's address:** Cylinda, Norrvikenleden 97, 19187 SOLLENTUNA SOLLENTUNA, SE

**Model identifier:** VK155SV

**Type of refrigerating appliance:**

|                         |     |                                |              |
|-------------------------|-----|--------------------------------|--------------|
| Low-noise appliance:    | No  | Design type:                   | freestanding |
| Wine storage appliance: | Yes | Other refrigerating appliance: | No           |

**General product parameters:**

| Parameter                                                                           |        | Value | Parameter                                                                           | Value                           |
|-------------------------------------------------------------------------------------|--------|-------|-------------------------------------------------------------------------------------|---------------------------------|
| Overall dimensions (millimetre)                                                     | Height | 1 550 | Total volume (dm <sup>3</sup> or l)                                                 | 338                             |
|                                                                                     | Width  | 595   |                                                                                     |                                 |
|                                                                                     | Depth  | 595   |                                                                                     |                                 |
| EEI                                                                                 |        | 173   | Energy efficiency class                                                             | G                               |
| Airborne acoustical noise emissions (dB(A) re 1 pW)                                 |        | 40    | Airborne acoustical noise emission class                                            | C                               |
| Annual energy consumption (kWh/a)                                                   |        | 166   | Climate class:                                                                      | extended temperate, subtropical |
| Minimum ambient temperature (°C), for which the refrigerating appliance is suitable |        | 10    | Maximum ambient temperature (°C), for which the refrigerating appliance is suitable | 43                              |
| Winter setting                                                                      |        | No    |                                                                                     |                                 |

**Compartment Parameters:**

| Compartment parameters and values |    |                                           |                                                                                                                                                            |                            |                                                    |
|-----------------------------------|----|-------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------|----------------------------------------------------|
| Compartment type                  |    | Compartment Volume (dm <sup>3</sup> or l) | Recommended temperature setting for optimised food storage (°C)<br>These settings shall not contradict the storage conditions set out in Annex IV, Table 3 | Freezing capacity (kg/24h) | Defrosting type (auto-defrost=A, manual defrost=M) |
| Pantry                            | No | -                                         | -                                                                                                                                                          | -                          | -                                                  |

|                                  |     |   |   |   |   |
|----------------------------------|-----|---|---|---|---|
| Wine storage                     | Yes | - | - | - | A |
| Cellar                           | No  | - | - | - | - |
| Fresh food                       | No  | - | - | - | - |
| Chill                            | No  | - | - | - | - |
| 0-star or ice-making             | No  | - | - | - | - |
| 1-star                           | No  | - | - | - | - |
| 2-star                           | No  | - | - | - | - |
| 3-star                           | No  | - | - | - | - |

| 2-star section                   | No  | - | - | - | - |
| Variable temperature compartment | -   | - | - | - | - |

#### For wine storage appliances

Number of standard wine bottles 146

#### Light source parameters:

Type of light source LED

Energy efficiency class E

**Minimum duration of the guarantee offered by the manufacturer:** 12 months

#### Additional information:
