

**TimeManager® lets you shorten a cycle when you're short on time**

Short on time? No problem! When you need to wash a load in a hurry, TimeManager® has your back. It can shorten a washing programme to better fit your schedule.

**Product Benefits & Features**

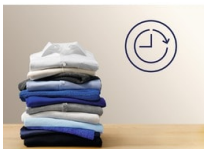

**AutoSense for automatic washing adjustments**

The AutoSense function adapts to your needs to provide excellent fabric care. This function adjusts the washing time, water and energy consumption depending on the size of the load. For complete laundry care without wasting resources.

**THE HYGIENE PROGRAMME REMOVES MORE THAN 99.99% OF BACTERIA AND VIRUSES\***

The Hygiene programme certified by Swisstatest is a high-performance wash cycle that removes more than 99.99% of bacteria and viruses\* from clothes. By keeping your wash temperature above 60°C, you can also reduce allergens.

\* Tested for Staphylococcus aureus, Enterococcus faecium, Candida albicans, Pseudomonas aeruginosa and MS2 Bacteriophage in external test performed by Swisstatest Testmaterialien AG in 2021 (Test Report No. 202120117)

**Clean laundry when you need it with Delay Start**

Schedule your laundry cycle to suit your daily routine using the Delay Start function. You can easily postpone your washing cycle from 1 to 20 hours and ensure you have fresh, clean clothes precisely when you need them.

**The drum with a gentle touch**

The Soft drum is designed to handle your clothes with the greatest care. So delicate fibres don't get stretched during washing and spinning.

**Woolmark approved. Special care for gentle woollens**

Wash your woollens using the Woolmark-approved cycle for optimal care while cleansing. The gentle wool cycle ensures your machine-washable woollens, knits, and jumpers stay softer and in prime condition for longer.

- Inverter+ Motor
- Soft Drum
- Delay start option
- Anti-foam rinse system
- Anti-flood protection
- Woolmark Blue
- Silk program designed specifically for silk with gentle wash and adapted spin cycle
- Machine Cleaning
- Washing programs: Eco 40-60, Cottons, Synthetics, Delicates, Rapid 14Min, Rinse, Spin/Drain, Machine Clean, Hygiene, Silk, Wool, Sport, Outdoor, Jeans
- Program card languages: Danish, Finnish, Norwegian, Swedish

Product Specification

Nordic_WM_FamilyName	TimeCare 500	Cycle duration, program Eco 40-60, h:min	3:25
Energy efficiency class, legal (E20)	A	Water consumption / cycle, l (E20)	43
Load, kg - 3rd Generation Performance, Programs (E20): Eco 40-60 Full Load	8.0	Weighted remaining moisture content, %	53.4
Nordic_Laundry_MotorType	Inverter	Cord length, m	1.8
Drum volume, l	53	Connected load, W	1900
Porthole diameter, cm	49	Volt, V	230
Dimensions HxWxD in mm	847x596x547	Net weight, kg	69.5
Depth max, mm	576	Product Number Code	914 917 736
Feet/Wheels	4 adjustable feet	Bar code	7333394121079
Inlet hose length, cm	130		
Outlet hose length, cm	145		
Max spin speed, rpm	1400		
Spin drying efficiency class	B		
Energy consumption / cycle, kWh	0.471		
Weighted average energy consumption / 100 cycles, kWh (E20)	47		
Airborne acoustical noise emissions, dBA re 1 pW	75		
Airborne acoustical noise emission class	B		
Washing efficiency index (3 digit, E20)	1.031
