

HotAir – Better heat distribution for even cooking results

Crisp pastry, perfect pies, well-browned joints of meat – the HotAir system ensures heat is circulated evenly throughout the oven. Consistent results wherever your food is placed.

Product Benefits & Features
Multilevel Cooking. Cook more at the same time

With Multilevel Cooking, the additional heating ring ensures your dishes are perfectly cooked even when loaded with two trays at the same time.

The PushPull Drawer. A smooth storage solution

Now your cooking tools have an elegant and smooth storage home. The PushPull Drawer is your storage companion in the kitchen.

The Radiant Hob – for fast cooking

The Radiant Hob is fast and easy-to-clean with ceramic zones that heat quickly and accurately for fuss-free cooking.

XXL Capacity gives you more from your oven

XXL Capacity in your cooker cavity lets you maximise cooking. Greater efficiency means you can get more from your dishes and rely on your recipes to feed more people when you need to.

Easy cleaning with AquaClean

Cleaning after cooking doesn't need to be a chore - our oven cleans by harnessing the power of humidity. AquaClean evaporates the water at the bottom of the oven and steam loosens otherwise stubborn grease and residue left on its surfaces. So you can easily achieve a natural
