| Supplier name or trademark                                                    | Cylinda        |
| Model identifier                                                              | Eris SF180SVA  |
| Annual Energy Consumption                                                     | 43,5 kWh/annum |
| Energy Efficiency Class                                                       | A+             |
| Fluid Dynamic Efficiency                                                      | 34,8           |
| Fluid Dynamic Efficiency class                                                | A              |
| Lighting Efficiency                                                           | 82,0 Lux/W     |
| Lighting Efficiency class                                                     | A              |
| Grease Filtering Efficiency                                                   | 85,1 %         |
| Grease Filtering Efficiency class                                             | B              |
| Air flow (min speed normal use)                                               | 280 m³/h       |
| Air flow (max speed normal use)                                               | 470 m³/h       |
| Air flow (intensive or boost use)                                             | 800 m³/h       |
| Airborne acoustical A-weighted sound power emissions (min speed normal use)   | 48 dB          |
| Airborne acoustical A-weighted sound power emissions (max speed normal use)   | 57 dB          |
| Airborne acoustical A-weighted sound power emissions (intensive or boost use) | 69 dB          |
| Power consumption in off mode (W)                                             | 0,49 W         |
