

Easy to use, compact yet performant

Our most compact bagged cleaner that efficiently picks up dust & dirt on all surfaces – with every stroke. The AllFloor nozzle easily switches between a hardfloor and a carpet, and accessories are stored on board, close at hand when needed

Product Benefits & Features

Strong dust pick-up. On every stroke

Efficient and easy to use, this vacuum makes cleaning a breeze. Thanks to the new AllFloor nozzle and strong suction power, you can pick up dust and dirt from hard floors and carpets effortlessly. Plus, you can change the nozzle mode with your foot.

"Easy to manoeuvre for non-stop cleaning"

This ergonomic vacuum lets you clean surfaces up to 72 square metres without switching the power outlet. Thanks to the telescopic tube, large wheels and 8.5 metre cleaning radius you can easily move around and clean without interruption.

Hygienically cleaner home

High filtration system is capable of filtering up to 99,99%* of particles as small as 1 micron the size of fine dust, dust mites to deliver cleaner output air.

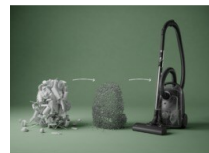

Easy to store and accessories on board

Make cleaning a breeze with this easy-to-use vacuum. Its compact size makes it the perfect fit for any home, and with accessories conveniently stored on board, you'll have everything you need right at your fingertips.

A more mindful choice
