

**The fast, safe and clean way to cook**

Induction technology ingeniously targets the spot you're heating, leaving other areas cool and safe. The hob responds instantly to temperature changes making your cooking more efficient, and the glass surface means cleaning is easy.

**Product Benefits & Features**
**The right cooker for you – easy, fast and safe**

Induction Hob technology means that heat is delivered quickly and precisely, while the surrounding areas remain cool and safe. It also reacts instantly to temperature changes. And the smooth surface makes it easy to clean.

**Multilevel Cooking. Cook more at the same time**

With Multilevel Cooking, the additional heating ring ensures your dishes are perfectly cooked even when loaded with two trays at the same time.

**An oven that cleans itself, so you don't have to**

The Catalytic Cleaning feature helps to avoid the build-up of dirt and grease in the oven of our freestanding cooker. This self-cleaning technology automatically starts to work when the temperature reaches 250°C. Removing cooking residue to make cleaning effortless.

**Direct touch control for every zone**

Easily adjust your hob's temperature settings with our direct touch controls. Each cooking zone has an individual power control, so it's clear to see and simple to change the heat settings. And as it's one smooth surface, it's easy to clean.

**The PushPull Drawer. A smooth storage solution**

Now your cooking tools have an elegant and smooth storage home. The PushPull Drawer is your storage companion in the kitchen.

- Hob2Hood
- Cooking functions Browning/Au gratin, Conventional/Traditional cooking, Drying, Fast grilling, Moist fan baking, Pie Pizza, True fan cooking, Turbo grilling
