

Complete food protection with space-efficient storage solutions

Store more food longer. The Electrolux 300 Refrigerator offers temperature stability for total food protection and a space-efficient design that makes the most of the storage space.

Product Benefits & Features**Convenient storage and effective food preservation**

The Refrigerator makes the most of available space with convenient, space-efficient storage solutions. Temperature stability to effectively protect from spoilage.

**Audible Door Alarm**

The Door Alarm helps prevent wasted food and energy by alerting you if your appliance door is left open too long.

Choose fridge settings with Electronic Control

The Electronic Controls let you adjust the internal temperature of the fridge, while the LCD display conveniently shows you the temperature.

Premium LED fridge lighting

Enjoy excellent visibility with our fridge's integrated LED lighting. The discreet, energy-efficient bulbs shine a bright light across the whole space. Consuming ten times less energy than standard lighting.
