

Space-efficient storage for total food protection

Store more food longer. The AEG 3000 Refrigerator's space-efficient design makes the most of the available space. Temperature stability for total food protection.

Product Benefits & Features

Space-efficient, protects from spoilage

Designed to make the most out of the space, the Refrigerator can fit more food in more conveniently. Maintains temperature stability to protect from spoilage.

Freezer space. In the fridge. Four star compartment

Freeze food safely even in the fridge. The four-star freezer compartment allows you to safely freeze your fresh food down to -18°C, even inside the fridge. Ideal for efficient freezing of smaller amounts of food or convenience meals.

Audible Door Alarm

The Door Alarm alerts you if your appliance door is left open for certain amount of time, so you can close it promptly.

Manage functions and temperature with Electronic Control

Electronic control gives you the ability to make precise modifications of the temperature and other storage functions. This efficient Refrigerator also gives you instant feedback of your adjustments on the digital control panel.

LED lighting illuminates every corner

The internal LED lighting produces a discreet, soft light, shining evenly across the whole space. Plus, LED bulbs are smaller and more energy efficient than standard bulbs – a more sustainable choice.

- Appliance HxWxD (mm): 818 x 595 x 545
- 820 mm built-in height
- Freezing compartment type: 4 Star
- For fully integrated, door-on-door installation
- Visual alarm signal for high temperature
- Audible & visual high temperature warning signal
- Egg tray: 2 For 6 Eggs

Product Specification

Nordic_Cold_DoorShape	Integrated
Dimensions HxWxD in mm	818x595x545
