

**Complete food protection with space-efficient storage solutions**

Store more food longer. The Electrolux 300 Fridge-Freezer offers temperature stability for total food protection and a space-efficient design that makes the most of the storage space.

Product Benefits & Features**Convenient storage and effective food preservation**

The Fridge-Freezer makes the most of available space with convenient, space-efficient storage solutions. Temperature stability to effectively protect from spoilage.

Audible Door Alarm

The Door Alarm helps prevent wasted food and energy by alerting you if your appliance door is left open too long.

**Precise food storage with Internal Electronic Control**

Take command of the storage conditions of your food with Internal Electronic Control. The LED indicators conveniently show you the temperature, and the settings remove any guesswork.

Premium LED fridge lighting

Enjoy excellent visibility with our fridge's integrated LED lighting. The discreet, energy-efficient bulbs shine a bright light across the whole space. Consuming ten times less energy than standard lighting.
