- Universal food processor

Excellent Results

- Perfect results thanks to the sensor-driven automatic programs. The Smart Sensor Technology automatically recognizes when result is perfect and stops on its own. You can fully concentrate on the next task and simply not care about while e.g. cream become perfect by itself. The Sensor is optimized for a wide range of cases from whipped cream to sour dough.
- Air-cooled motor: Long motor run time for intense kneading of heavy dough to achieve e.g. perfect pizza dough without overheating
- 3D PlanetaryMixing: kneading movement like your hands for perfect dough by working into the dough from above or mixes delicate ingredients to fine consistency

Comfort

- Integrated scale: Displays 1-g-steps, measures additionally ml , ml milk, ml oil, g, oz & lbs, optimized to weigh on top or simply directly in the bowl or accessories.
- Integrated switch off timer: just set the time individually and the kitchen machine automatically stops once the time is up.
- Easy Tool Eject: Tools can be changed easily by pressing the eject button

Accessories included

- Extra big, brushed stainless steel bowl with 5.5l capacity equipped with two ergonomic handles for up to 3,5 kg of cake mixture or 2,5 kg bread dough.
- Perfect whipping performance with increased stability of the whisk and new high quality design - fitting perfectly the contour of the bowl
- Solid kneading hook made out of stainless steel for high rigidity, developed in an unique shape to achieve best kneading experience
- Splash protection lid made out of shutterproof and durable BPA free Tritan material equipped with a filling whole. Lid stays up when lifting the arm and can also be easily removed.
- Home Connect App: Access to tasty recipes and tips developed for Series 6 to achieve perfect results successfully
- Huge variety of high quality accessories open up the space for your baking and cooking experience
