

Experience the power of up to 99%* dust pick-up. Cordless convenience redefined

Powerful performance delivers up to 99%* dust pick-up on hard floors. Cordless convenience and a lightweight design keep you moving freely, while one-step emptying keeps maintenance quick and easy. Simple, seamless efficiency built in.

*Based on internal test on dust pick-up according to IEC 62885-4 standard.

Product Benefits & Features

Engineered for powerful cleaning on carpets and hard floors

The brushless inverter motor powers the MultiFloor nozzle for exceptional dust pick-up on carpets and hard floors. LED lighting reveals hidden dust, while the anti-tangle design prevents clogging to keep suction strong – from start to finish.

Lightweight comfort. Versatile cleaning in every move

Lightweight with only 1.25kg* weight-in-hand and comfortable to hold, this versatile cordless cleaner moves easily from floor to ceiling. The detachable hand unit adapts seamlessly to clean everything from tables and kitchen counters to shelves – just press and go.

*Based on internal test according to IEC 62885-2 standard.

Quick, one-step dust disposal

Emptying is quick and easy using the one-step system. Just press the button to dispose of dust directly into the bin – for minimal effort, every time.

Cordless power for up to 50 minutes – with an exchangeable battery

Clean more in one go with up to 50 minutes* of cordless power. The removable battery is easy to swap or recharge, giving you the freedom to clean longer without interruption.

*Based in internal test with complete stick cleaning on min mode according to IEC 62885-4 standard.

Built to tackle pet hair

Built for pets and perfected for homes, the Pet nozzle lifts embedded pet hair effortlessly. Its precision airflow captures every strand from sofas, furnishings and car seats, for a fresher, cleaner home.

- Sustainable design - made from N/A% recycled plastic
- LED headlights in the nozzle
- Easy emptying
- DustSpotter™ LED lights

Product Specification			
Dust pick up hard floor with crevice, %	55	Filtration efficiency, complete cleaner %.	99.95
Running time Low Speed	50	Standard: EN 60312-21-2017	
Running time Normal Speed	N/A	Battery cell, type	Li-ion
Auto function	No	Dust container capacity, l	0.3
Storage	Wall Mounting	Suction wattage, W	0
Noise, dB(A) – Completed stick	82	Power brush	No
Main colour	Dark Grey	Filtration class	E10
Cleaner weight, Cleaner complete g	1900	Exchangeable battery pack	Yes
