

### Exceptional drying results for your wardrobe

The 800 UltraCare Heat Pump Dryer uses our 3DSense Technology to deeply detect humidity so clothes are dried with precision and care. Even thicker items like duvets or down jackets are perfectly dried and preserved remaining fluffy and keeping the warmth.

## Product Benefits & Features

### 3DSense Technology – down jackets and duvets kept like new, warmth and fluffiness 100%

3DSense Technology, our unique technology, scans the humidity in garments for precise and complete drying. Even the thickest of the garments such as duvets and down jackets are evenly dried and protected remaining fluffy and keeping the warmth.

\*Based on external test of thermal resistance for items dried with 3DSense Technology, performed according to ISO 11092.

### DelicateCare - dries wool with no shrinkage guaranteed\*

DelicateCare uses heat pump technology to dry delicate garments with tailored drum temperatures and movements, helping clothes last longer. Even fabrics such as silk and wool are dried with superior Care. Woolmark certified.

\*Comparable with flat drying.

### Remotely control your laundry appliances with Connected

Link your appliance to the Electrolux app to enjoy the ease of remote control. Get real-time status updates, resource-saving advice and garment care tips with Connected.

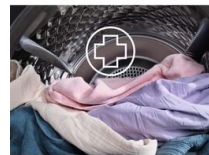

### No sorting needed. Mixed loads each time evenly dried with MixCare

MixCare provides powerful yet gentle drying for mixed loads of cottons and synthetics, ensuring clothes are evenly dried with no sorting needed.

### The Hygiene cycle removes more than 99.9% of bacteria and viruses

The Hygiene cycle runs above 60°C, drying while sanitizing items, removing 99.9% of bacteria and viruses.

- Heat pump technology achieves unprecedented energy efficiency
- DelicateCare
- Internal light for optimal visibility in the tumble dryer
- Inverter motor technology
- Delay start option
- Optional accessories: Direct drain hose, Stacking kit
- Accessories included: Condenser Slots Brush

**Product Specification**

Nordic_TD_FamilyName	800 UltraCare	Plug Type	Euro Moulded
Drying capacity, kg (3rd Gen)	8.0	Required fuse (A)	5
Woolmark	Woolmark Green	Product Number Code	916 900 912
Energy efficiency class, legal (E20)	B	Bar code	7333394175263
Weighted average energy consumption / 100 cycles, kWh (E20)	85		
Condensation efficiency class, (3rd gen)	B		
Airborne acoustical noise emission class	B		
Airborne acoustical noise emissions, dBA re 1 pW	63		
Connectivity	Yes		
Door hinges	Right Reversible By User		
Drum volume, l	118		
Tank capacity, l	5.56		
Dimensions HxWxD in mm	850x596x636		
Depth open door	1102		
Nordic_TD_Refrigerant_Volume	R290/0.149		
Nordic_TD_3DScan	Yes		
Cord length, m	1.45		
Connected load, W	550
