

Spacious storage solutions

The 500 OptiSpace Refrigerator offers a spacious interior for groceries. Storage options make finding a spot for larger items simple. And if you need even more room, the drawers can be easily removed.

Product Benefits & Features

OptiSpace has a roomy interior for groceries

Our Refrigerator with OptiSpace offers plenty of storage options both on top and in between shelves. And if you need even more room, the drawers can be easily removed to suit your specific needs.

In-fridge freezing, with the four-star compartment

The four-star freezer compartment inside the fridge can reach temperatures as low as -18°C. Efficient freezing, built into the fridge.

Audible Door Alarm

The Door Alarm helps prevent wasted food and energy by alerting you if your appliance door is left open too long.

Reliable shelves with safety glass

Strong shelves inside the fridge is made of safety glass, renowned for its durability. And if there are any accidental spillages, it can easily be cleaned up with a damp cloth.

Premium LED fridge lighting

Enjoy excellent visibility with our fridge's integrated LED lighting. The discreet, energy-efficient bulbs shine a bright light across the whole space. Consuming ten times less energy than standard lighting.
