

Superior odour absorption performance. Experience the difference

The OdourClean Pro Carbon Filter powerfully captures and absorbs unwanted cooking odours, preventing them from lingering in the kitchen environment. The superior filtration keeps kitchen air clean and fresh for a supreme cooking experience.

Product Benefits & Features

OdourClean Pro Carbon Filter. Superior odour filtration

The OdourClean Pro Carbon Filter successfully absorbs up to 90% of all unpleasant odours in your kitchen before recirculating the air – delivering fresh indoor air in no time – for a welcoming and desirable cooking and dining environment.

*Based on internal tests according to the Standard IEC/EN 61591.

OdourClean Pro Carbon Filter – lasts up to 5 years*

The OdourClean Pro Carbon Filter lasts up to 5 years, ensuring superior hood performance. Keep your kitchen environment fresh and clean for longer*.

*Based on the usage of the hood. Check the user manual for more detailed instructions.

OdourClean Pro Carbon Filter – oven safe

Regenerate your OdourClean Pro Carbon Filter at home to ensure optimal hood performance and save on maintenance costs. Regenerate the filter in the oven every 5-6 months*.

*Based on the usage of the hood. Check the user manual for more detailed instructions.
