

Enjoy delicious coffee – and an effortless start to your day.
The coffee maker that simplifies your mornings and makes your life a little easier.

Product Benefits & Features

Awaken to your morning brew waiting for you
Wake up to the smell of fresh coffee waiting for you. With the 24-hour timer, you can make sure your coffee is ready as soon as you wake up.

Permanent, re-usable filter
No running out of paper filters. Brew with less waste using the removable, re-usable filter.

Grab a cup of coffee mid-brew – without drips
When you just can't wait to get caffeinated, the drip-cut system lets you grab a cup before brewing is finished. Without making mess.

Keeps coffee warm and ready to drink
Coffee stays at the right serving temperature and ready to drink.

Clean-up's a breeze
Non-stick heating plate for easy clean-up.

- Number of cups: 10
- AutoOff
- Anti-drip valve
- Glass jug with water level indication

Product Specification	
Main colour	Black
Accent colour	Silver
Aroma switch	None
