

Market's best runtime and dust pick-up*.

The 900 Cordless cleaner with AllFloor Power nozzle is the only cordless cleaner that combines the longest runtime in its class with up to 100% dust pick-up.* The All-in-1 Station automatically charges and empties the cleaner.

*Runtime measured on high-speed mode. Dust pick-up tested according to IEC 62885-2 and considering the average dust pick-up result of 5.2, 5.3 (both directions) on hard floors. Results are based on comparison with the top six best-selling handstick vacuum cleaners priced over EUR 490 in four

Product Benefits & Features
Fast cleaning with 100% dust pick-up*

New AllFloor Power Nozzle captures up to 100% of dust*. Powerful, brushless motor, plus innovative rubber strips ensure effectiveness of both forward and backward strokes for fast cleaning. Unique 360° LEDs expose hidden dirt. Anti-tangle system continuously detangles hair from

Powerful and quiet motor

High-performance, brushless inverter motor delivers the power to enable category-leading dust pick-up**. Quiet, 78 dB(A) operation. So reliable it is guaranteed for 10 years.**

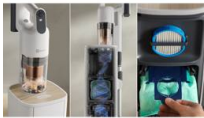

*Based on IEC 62885-2 section 5.3 Avg. Debris, Resilient HardFloor (both directions) comparing 1 double stroke (2.8") and 3 double strokes (8.4")

**Register your product within 90 days of purchase to lock your Electrolux 10-year motor warranty. Terms and conditions apply. See www.electrolux.com for details.

**Based on tests according to IEC 62885-2 considering the average dust pick-up result of 5.2, 5.3 (both di-

Our most advanced All-in-1 Station, ideal for less maintenance

Your cleaner stays charged, emptied and ready with our most advanced All-in-1 Station. Debris from the cleaner empties automatically into the Anti-Allergy S-bag® without dust-clouds or spills. A built-in hose simplifies filter cleaning.

Full control at a glance with LCD display

The Electrolux 900 cordless cleaner's intuitive LCD display shows key information such as power setting, remaining runtime and charge level. It also gives you maintenance instructions for performance and longevity.

Ergonomic grip, weight balance and reach make cleaning easy

The 900 Cordless cleaner is built for effortless navigation. The improved pistol grip and balance combined with the responsive, low-resistance joint on the nozzle are intuitively designed for precise control. Reach 90 cm under furniture without twisting your wrist.

- Sustainable design - made from 50% recycled plastic
- LED headlights in the nozzle
- QuickRelease Brush Roll
- Easy emptying
- DustSpotter™ LED lights
